

# Emo Side Project, I'll Miss You So Good

in a corner I would sit alone  
until you came and recuse me  
and a thousand broken hearts  
have grown so far apart it seems

but if you fall tonight  
would it matter if im there  
a lonely night spent alone  
doesn't seem so far away  
ill miss you so good

in a corner I will be  
if you decide to come back  
I hope you come back soon  
why did it have to be you

but when I fall tonight  
will you even be there  
a lonely night spent alone  
doesn't seem so far away  
Ill miss you so good
