

# Emo Side Project, I Poured My Heart Into This

we will fly that kite soon  
and it will be sunny i promise.  
i promise ill keep you warm at night

i love you and all i want to do  
is hold you in my arms  
i love you and all i want to do  
is be with you right now

im coming back. and you better be alone  
you better be alone  
im coming back for you  
you better be alone

what a pathetic day  
until im with you dear  
what a perfect way to live my life  
in your arms

i love you and all i want to do  
is hold you in my arms  
to pass the time  
and believe everything's ok
