Emo Side Project, Strawberry Shampoop

blah blah blah she left me alone to cry today and you say you're for me well eff this love just ain't for me maybe another day sometimes it has to be this way blah blah blah broken heart another emo song for her

da da da im in love with you da da da da im in love with you

whoaaa

blah blah cried today for her I guess I am just another alone loser kid that probably never will get laid but who really gives a eff not me, and im not growing up don't tell me to be happy because it's just impossible

da da da im in love with you da da da da im in love with you

whoaaa

blah blah blah what's the smell strawberry shampoo can't you tell on her it smells like poop on me it's the shiznit she said that I sucked hard and that my whoa was small well you can go to hell and you really smell
