

Emo Side Project, Twitterpated

i know those thing you say will make my every day
we'll be together for tonight and i hope
you'll be close to me you're my everything
i'll fall in love with you again and again

if i could tell you one more thing
i'd tell you that i love you
and i want to hold you
kiss you all over
and we'll be together
and i'll be so twitterpated

i'll hold you hand and
sing you every song i wrote for you
i'd do you hair until
you fall asleep on my lap
and sing right back to me
you're my everything
i'll sign our names upon this moon tonight

if i could tell you one more thing
i'd tell you that i love you
and i want to hold you
and kiss you all over
and we'll be together forever

i'll love you till the day i die
and whisper words you'd wanna hear
and i love you so much baby
you're my perfect lady
i'm so lost in this dream
