

# Emo Side Project, You're The Best I'll Ever Have

there was a boy  
he loved her more than anything in the world  
she looks at him with her pretty eyes  
how could he even resist a smile?  
well I guess he couldnt

and I count the days  
and I count the hours  
and tonight i'll be right here  
and I do remember  
yes I do remember  
how it feels to be in love  
to be in love..

and the boy looks the girl deep in the eyes  
with a huge grin on his face  
he blinks once and says,  
"honey, you are the best thing that i'll ever have";
