

# Empire Of The Sun, We Are The People

We can remember swimming in December,  
Heading for the city lights, in 1975  
We share in each other  
Nearer than father  
The scent of a lemon, drips from your eyes

We are the people that rule the world  
A force running in every boy and girl  
All rejoicing in the world  
Take me now  
We can try

We lived an adventure  
Love in the Summer  
Followed the sun till night  
Reminiscing other times of life  
For each every other  
The feeling was stronger  
The shock hit eleven  
Got lost in your eyes

I can't do well when I think you're gonna leave me, but I know I try  
Are you gonna leave me now  
Can't you be believing now [x2]

Can you remember and humanize,  
It was still where we'd energized,  
Lie in the sand and visualize like its 75 again

We are the people that rule the world  
A force running in every boy and girl  
All rejoicing in the world  
Take me now  
We can try

I can't do well when I think you're gonna leave me, but I know I try  
Are you gonna leave me now  
Can't you be believing now [x2]

I know everything about you  
You know everything about me  
Know everything about us

I can't do well when I think you're gonna leave me, but I know I try  
Are you gonna leave me now  
Can't you be believing now [x3]
