

Empress Of, Kiss Me (ft. Rina Sawayama)

I'll keep you up
I'll dance around
Facetime for you
If this is love, I'll settle down
Just tell me to

If you send a flare, and i'll be there
I'll follow you right up the stairs
Just touch my lips and pull my hair
To come with you
I'd go anywhere

Kiss me kiss me slowly slowly
Whisper whisper show me
Show me that i'm the one and only

Kiss me kiss me slowly slowly
Whisper whisper show me
Show me that i'm the one and only

Kiss me kiss me slowly slowly
Whisper whisper show me
Show me that i'm the one and only

Kiss me kiss me slowly slowly
Whisper whisper show me
Show me that i'm the one and only

Running around
I've never felt
So full of air

And when I breathe
I'm breathing life
Into our wings

If you send a flare, and i'll be there
I'll follow you right up the stairs
Just touch my lips and pull my hair
To come with you
i'd go anywhere

Kiss me kiss me slowly slowly
Whisper whisper show me
Show me that i'm the one and only

Kiss me kiss me slowly slowly
Whisper whisper show me
Show me that i'm the one and only

Kiss me kiss me slowly slowly
Whisper whisper show me
Show me that i'm the one and only

Kiss me kiss me slowly slowly
Whisper whisper show me
Show me that i'm the one and only

In the water
In the cinema
In the fire
Under the moonlight
As a goodbye
To make it right

Doesn't matter
So just kiss me here tonight

Kiss me kiss me kiss me kiss me kiss me
Kiss me kiss me slowly slowly
Whisper whisper show me
Kiss me Kiss me Kiss me Kiss me Kiss me Kiss me
