Verse 1 Terry

You best believe everyday I get the same ole thang
All kind of bruthas coming up to me
With silly lies that could make you sick oh they need to quit
And get away from me, don't get me wrong I like attention too
But do they really have to act a fool Cuz they see a lady lookin' good?
Please admit

Chorus

Is it my hips? my lips?
My eyes? My thighs?
My chest? My hair?
My big ole hey-e-e-ea
Is that all you see?
Is it my hips? My lips?
My eyes? My thighs?
My chest? My hair?
My big ole hey-e-e-ea
Is that all you see?

Verse 2 Terry

In a limousine, fancy car, bling-bling-bling
Even if you're standing 6 foot 3 or 3 feet tall with no teeth
Have respect for me, try conversation please
Before you try and put your hands on me
When will they ever learn there's more to me,
Than T&A on this PYT
Daddy please

Chorus

Is it my hips? my lips? (Daddy)
My eyes? My thighs?
My chest?(My chest) My hair? (My hair)
My big ole hey-e-e-ea
Is that all you see?
Is it my hips? (My hips) my lips? (My lips)
My eyes? (My eyes) My thighs? (My thighs)
My chest? (My chest) My hair? (My hair)
My big ole hey-e-e-ea
Is that all you see?

Bridge Michael Marshall:

How come you actin' like you don't know
Why some bruthas always lose control
When you're wearing them hip high jeans
With your thong out baby please let a playa speak
And don't you start to tweak,
You got the body that can make men weep
So when you walk around in those do me clothes like those videhos
Girl you need to know that all I'm lookin' at is

Chorus

Hips and lips And eyes, your thighs
Your chest, your hair
Girl that big ole (hey-e-e-ea)
Is that all you see?
Your hips, your lips

Your eyes, your thighs
Your chest baby, your hair
You're sexy underwear (hey-e-e-ea)
Is that all you see?

Uh-huh Uh-huh sexy underwear I see
