

# En Vogue, You Don't Have To Worry

chorus:

No fear, no shame, you don't have to worry

'Bout a thang

No fear, no shame, you don't have to worry

'Bout a thang

Makes no difference

Near or far, baby

It's you I love no matter where you are

My dedication will never die

I'm always faithful till you break my heart

You don't have to keep seaching for dishonesty

It's always safer to let your love flow

I can guarantee

There's no need for doubting me

There is no other that's worth the trouble

chorus

There's no reasoning for your dismay

Our love's been good up to this very day

No time for wondering

It's takes away

From all the time we have to share together

You can best believe

No one can just come between

Me and you and what we built together

I guess in time we'll see where our dedication leads

And in the end I know I'll be there for you

chorus

bridge

I can guarantee there's no need for doubting me

No time for wondering

You can count me
