

End Of Fashion, She's Love

Ooohhh...

Time and time again
I'm over seduction
Closer now, closer now
Stop

Wear my hand on the fire
I'm over desire
When all I wanna do is relay

She's love, she's love
Whoah-oh
She's love, she's love
la da di...

Sit, don't stay
It's only the weekend
It's only that I care
Come on love and love me like that

Why are you so windy?
Where are you going?
When all i wanna do is relax

She's love, she's love
Whoah-oh
She's love, she's love
Whoah-oh
She's love, she's love
Whoah-oh, whoah-oh oh oh
She's, she's love
la da di... hey...

She's love, she's love
Whoah-oh
She's love, she's love
Whoah-oh
She's love, she's love
Whoah-oh, whoah-oh oh oh
She's, she's love
la da di... hey...
