

End Of Green, I Hate

Its coming down all over me can't feel no love tonight
it is so sweet i loose everything im lost in my mind
this life is sick i dont know why
I hate myself i want to die
i hate myself
Jesus can you listen to me my jeramaid my ray of light
there is no way of any hope
sun and moon will never shine i can't go on i apologize
there is no way of any hope
this life is sick i don't know why
I hate myself i want to die...
