

# End Of Green, Infinity

I sit alone in my cold room  
the deadly silence comes over me  
all is forever all is lost  
all I can see are black candles  
they shining on me  
where can I go when the light go  
out today I drown in a deep black sea  
all I can see, all I can see is a light  
all I see are black candles  
when I die in a black  
winter night I'm so far away

No memories into the light I fade  
screams and convulsions  
breakin' the walls of my innerself  
all I can see, all I can see is a light  
all I see are black candles when I die  
in a black winter night I close my eyes  
I sleep forever I fade away  
never wake up again
