

# Endo, G.A.D.

going down the ozone lookin' for a new home  
trying to cope with the madness  
future crisis  
choked up i can't breathe  
loss of control  
what the fuck's wrong with me  
paranoia  
the levels are dropping  
somethin's dying within my coffin  
slave to my own enemy  
can't you see  
i don't want to be me!  
i just want to be free!  
eyes of unreality  
notion of consciousness  
got to get grounded  
before they come for us  
pose for another shot  
my thoughts are broken  
impending loss is what i'm holding on to  
got to make my way to the fire that burns my flame  
king to my own enemy  
can't you see!  
i don't want to be me!  
i just want to be free!  
i just want to be free
