## Engelbert Humperdinck, After The Loving

So I sing you to sleep after the loving With a song I just wrote yesterday And I hope you can hear what the words And the music have to say It's so hard to explain everything that I'm feeling Face to face I just seem to go dry But I love you so much that the sound Of your voice can get me high Thanks for taking me On a one way trip to the sun and thanks for turning me into a someone So I sing you to sleep after the loving I brush back the hair from your eyes And the love on your face is so real That it makes me wanna cry And I know that my song isn't saying anything new Oh, but after the loving, I'm still in love with you So I sing you to sleep after the loving I brush back the hair from your eyes And the love on your face is so real That it makes me wanna cry And I know that my song isn't saying anything new Oh, but after the loving, I'm still in love with you
