

Engelbert Humperdinck, Yours

This night has music the sweetest music
it echos somethin within my heart
I hold you near me, oh darlin hear me
I have a mesage I must inpar

Yours till the stars lose there glory
Yours Till the birds fail to sing
Yours till end of lifes story
this pledge to you dear i'm real
yours in the gray of December
here or on far distant shores
I never loved anyone the way I love you
how could I when I was born to be just yours

Yours Till The End Of Lifes story
this pledge to you dear i'm real
yours in the gray of December
here or on far distant shores
I never loved anyone the way I love you
how could I when I was born to be just yours

I never loved anyone the way I love you
how could I when I was born to be just yours

I'm Forever Yours Jennifer
