

# Engerica, Arsehole

You think it's funny  
You think it's funny  
You think it's funny (but no one's laughing!)

I take your money  
I take your money  
I take your money (Cause you're not offering!)

I look like an arsehole  
I look like an arsehole

Information, information, information (the most effective weapon!)  
Hey! Leave it out man!  
Hey! Leave it out man!  
Hey! Leave it out man! (Cause I'm feeling quite tender!)
