

Engine Down, Colorado

Pass the door, put off to stay on
Got any more, I'll hide in time
Step past the in, mission poured on
Turn in to dead in, get it for more
On the line
Down to drive
Distance relocation
Got miles to decrease
Start this engine home
Pass back, put off to stay on
Got more, I'll hide in time
Step past, step past the in
Turn in, get it for more
