

# England Dan And John Ford Coley, Sad To Belong

Met you on a springtime day  
You were mindin your life  
And I was minding mine too  
Lady when you look my way  
I had a strange sensation  
and darling that's when I knew

That it's sad to belong to someone else  
when the right one comes along  
Yes it's sad to belong to someone else  
when the right one comes along

Oh, i wake up in the night  
And i reach beside me hoping you will be there  
But instead I find someone  
who believed in me when I said  
I'd always care

Oh, it's sad to belong to someone else  
when the right one comes along  
yes it's sad to belong to someone else  
when the right one comes along

so i live my life in a dream world  
for the rest of my days  
just you and me walking hand in hand  
in a wishful memory  
oh, i guess that's all that it could ever be

wish i had a time machine, i could  
make myself come back until the day  
i was born  
and i will live my life again  
and rearrange it so that i'll be yours from now on

oh, it's sad to belong to someone else  
when the right one comes along  
yes, it's sad to belong to someone else  
when the right one comes along  
(repeat)
