

England Dan And John Ford Coley, Where Do I Go From Here?

Autumn days

Lying on a bed of leaves

Watching clouds up through the trees

You said our love was more than time

But it's colder now

The trees are bare and the nights are long

I can't get warm since you've been gone

And I can't stop singing sad songs

(chorus)

Where do I go from here?

Tell me where do I go from here

You said you'd take me through the years

So where do I go from here?

Where do I go from here?

Tell me where do I go from here

You said you'd take me through the years

So where do I go from here?

Lover's plans

Like falling leaves on windy days

Flutter past and then fly away

I thought I know you oh so well

And I need you now

I need to feel you in the night

I need you smiling so warm and bright

I wish my mind could let you go

(repeat chorus)
