

# Enigma, Fear And Love

We always have a choice,  
At least I we think we do,  
We can always use our voice,  
I thought this to be true.  
We can live in fear.  
Extend ourselves to love,  
We can fall below, or lift ourselves above.

Chorus:

Fear can stop you loving,  
Love can stop your fear.  
Fear can stop you loving,  
But its not always that clear.

I always tried so hard  
To share myself around  
Now Im closing up again  
Drilling through the ground

Chorus:

Fear can stop you loving,  
Love can stop your fear.  
Fear can stop you loving,  
But its not always that clear.

I love to give myself away  
But I find it hard to trust  
I got no map to find my way  
And whats these clouds of dust?

Chorus:

Fear can stop you loving,  
Love can stop your fear.  
Fear can stop you loving,  
But its not always that clear.  
But it's not always that clear  
But it's not always that clear  
But it's not always that clear  
But it's not always that clear
