

Enigma, Modern Crusaders

Don't look back
The time has come
All the pain turns into love
We're not submissive, we're not aggressive
But they think we can't defend

Stand up, join us,
Modern crusaders alive
We have the power to face the future
Cause we are the fighters
Just fighting for our rights

They're accusing, like always
Without knowing
What is just fiction or what is the truth
They have no mission, they have no passion
But they dare to tell us
What's bad and what's good!

Stand up, join us,
Modern crusaders alive
We have the power who'll face the future
Cause we are the fighters
Just fighting for our rights

Stand up, join us,
Modern crusaders alive
We have the power who'll face the future
Cause we are the fighters
Just fighting for our rights

Stand up, join us,
Modern crusaders alive
