

Enigma, T.N.T. For The Brain (Midnight Man Mix)

Smell your skin.
Feel your breath.
You on my side.
I couldn't resist.

I hope I'll understand someday,
What's the meaning of this crazy game,
It is real and pure,

T.N.T. for the brain.

Smell your skin.
Feel your breath.
You on my side.
I couldn't resist.
(T.N.T. for the brain)

T.N.T. for the brain.
