

Eno, Brian, Kurt's Rejoinder

Burger cruising just above the ground ground ground
And gunner puts a burnish on his steel
Anna with her feelers moving round round round
Is sharpening her needles on the wheel

Burger Bender bargain blender shine shine shine
And gunner burn the leader on the fuse
Bundle up the numbers counting three six nine
Here's Anna building webs across our shoes
Celebrate the loss of one and all all all
And separate the torso from the spine
Burger Bender bouncing like a ball ball ball
So Burger Bender bargain blender shine
