

Eno, Brian, Wire Shock

Se dou a t doue Se dou a te dou
They live near the lake
They can't see the lake
They live near the lake
And something is nothing
And something is nothing.

Akakakakakakaka

Se dou a t doue Se dou a te dou

They live near the lake
I'll tell you, they had this beautiful house
Nobody near (t)his house
Something is nothing
Something is nothing.
