

# Enochian Crescent, A Dream Of Basaltic Submar

Damnable Dominion (of) basalt walls and Sepulchres  
Unquiet, GHARNE Landscape

Coarse - grained perceptions, Inhale exotic Drugs  
God's Shadow Looms, Ancient Beyond Words

It's A Sin to Scorn Him  
It's A Great Sin in His Eyes  
- And This too you would do!!!

Transcend to A dream of basaltic submarine towers  
Of titanic proportions and Nightmare Angles

Burrowed Beneath, two rolling seas  
My soul Drowns to Antiquity

In matters of Myth and Time - Lost Lore  
I'm Enticed by The Purest Evil

It's A Sin to Scorn Him  
It's A Great Sin in His Eyes  
- And This too you would do!!!

In His Name, once again  
Sacrilege and Sin, Rites Evil and Grim  
Open the Gate, once again  
Unleash The Evil!!!
