

Enrico Garzilli, Don't Turn Away (Reprise)

Abelard

I've known your faithful love throughout the years
I've seen you take my part through joy and tears
Stay with me now, dear one or I shall fall
Stay with me now, my love, my all

Both

Don't turn away from me sadly
Don't let me hear your good-bye
Don't turn away from me sadly
Let's show them how we can fly
