

Enrico Garzilli, When You're Gone

Hlose

When you're gone and I can't see your face
In my heart I pray through the day
That you journey in grace
That our love guide your way
And I feel once again your embrace
When you're gone and I can't hear your voice
There's no color, no light at dawn
There's no promise to spring
No words I can sing
Till I hear once again your voice
I'll always be with you
I'll always be there
I'll always be with you
I'll always care

Abelard

I'll always be there

Both

I'll always be with you

I'll always be there

I'll always be with you

I'll always care

Always, always

Always care

Always

Hlose

May the light in your heart lead you to light above
May the beauty in your soul lead you the same
May the drawing of this love
And the voice of this calling
Bring you light
Bring you peace
Sing your name
When you're gone
I'll always be with you
