

# Enrico Garzilli, When You're Gone

Hlose

When you're gone and I can't see your face  
In my heart I pray through the day  
That you journey in grace  
That our love guide your way  
And I feel once again your embrace  
When you're gone and I can't hear your voice  
There's no color, no light at dawn  
There's no promise to spring  
No words I can sing  
Till I hear once again your voice  
I'll always be with you  
I'll always be there  
I'll always be with you  
I'll always care

Abelard

I'll always be there  
Both  
I'll always be with you  
I'll always be there  
I'll always be with you  
I'll always care  
Always, always  
Always care  
Always

May the light in your heart lead you to light above  
May the beauty in your soul lead you the same  
May the drawing of this love  
And the voice of this calling  
Bring you light  
Bring you peace  
Sing your name  
When you're gone  
I'll always be with you
