

Enrique Iglesias, Alabao (English)

When I'm with you a chain reaction
Like a rush of satisfaction

Suddenly coming over me
Your eyes telling me that you hold the key
The key to unlock my fantasies

Baby this is where I want to be
My heart is beating so hard it's frightening
Feels like I'm hit by lightening
Every time I watch you move

You're so in tune with your body
And I can see that no one else will do

Cause I'm so into you
Alabao, you got the touch
Alabao, you got the motion
Alabao, just can't hold back any more
Alabao, you lift me up
Alabao, you knock me down
Alabao, you're the one that I adore

You can take care of my affliction
Satisfy my addiction
You know what you have to do
When your body wants my affliction
You take me in a new direction

One where there's only you and me
Alabao, you got the touch
Alabao, you got the motion
Alabao, just can't hold back any more
Alabao, you lift me up
Alabao, you knock me down
Alabao, you're the one that I adore

Just one look in your eyes and
I'm in heaven
There's so much that
I want I go insane
Take me here, make me yours now and forever
I can take all the pleasure and the pain
Alabao, you got the touch
Alabao, you got the motion
Alabao, just can't hold back any more
Alabao, you lift me up
Alabao, you knock me down
Alabao, you're the one that I adore

Alabao, you got the touch
Alabao, you got the motion
Alabao, just can't hold back any more
Alabao, you lift me up
Alabao, you knock me down
Alabao, you're the one that I adore
