## Enrique Iglesias, Could I Have This Kiss Forever

Over and over I look in your eyes you are all I desire you have captured me I want to hold you I want to be close to you I never want to let go I wish that this night would never end I need to know

Could I hold you for for a lifetime
Could I look into your eyes
Could I have this night to share this night together
Could I hold you close beside me
Could I hold you for all time
Could I could I have this kiss forever
Could I could I have this kiss forever, forever

Over and over I've dreamed of this night Now you're here by my side You are next to me I want to hold you and touch you taste you And make you want no one but me I wish that this kiss could never end oh baby please

Could I hold you for a lifetime
Could I look into your eyes
Could I have this night to share this night together
Could I hold you close beside me
Could I hold you for all time
Could I could I have this kiss forever
Could I could I have this kiss forever, forever

I don't want any night to go by Without you by my side I just want all my days Spent being next to you Lived for just loving you And baby, oh by the way

Could I hold you for a lifetime
Could I look into your eyes
Could I have this night to share this night together
Could I hold you close beside me
Could I hold you for all time
Could I have this kiss forever
Could I could I have this kiss forever, forever
