

# Enrique Iglesias feat. Sarah Connor, Taking back

Enrique:

Red One Saraaaah

Sarah: Enriqueeeee

Enrique:

Go ahead just leave

can't hold you

you're free

You take all these things

if they mean so much to you

I gave you your dreams

'cause you meant the world

So did I deserve to be left here hurt

You think I don't know you're out of control

And then I'm finding all of this from my boys

Girl you're stone cold

you say it ain't so,

you already know

I'm not attached to materials

I'll give it all up

but I'm takin' back my love

I'm takin' back my love

I'm takin' back my love

I've given you too much

but I'm takin' back my love

I'm takin' back my love, my love, my love, my love

My love..

Sarah:

Yeah

What did I do to give us the cue

I'm just confused as I stand here and look at you

You promised to be

all just trust me

Go head

keep the keys

that's not what I need from you

You think that you know

you've made yourself cold,

How could you believe them over me

I'm your girl

You're out of control

how could you let go

Don't you know

I'm not attached to materials

Both:

I'll give it all up

but I'm takin' back my love

I'm takin' back my love

I'm takin' back my love

I've given you too much

but I'm takin' back my love

I'm takin' back my love, my love, my love, my love

I'll give it all up

but I'm takin' back my love

I'm takin' back my love

I'm takin' back my love

I've given you too much

but I'm takin' back my love

I'm takin' back my love, my love, my love, my love

Enrique:

So all this love I give you take it away

Sarah:

You think material's the reason I came

Enrique:

If I had nothing would you want me to say

Sarah:  
You keep your money take it all away  
I'll give it all up  
but I'm takin' back my love  
I'm takin' back my love
