Enrique Iglesias, Kiss Kiss

When you look at me, tell me what do you see
This is what you get, it's the way I am
When I look at you, I wanna be, I wanna be
Somewhere close to heaven with Neanderthal man
Don't go, I know you wanna touch me
Here, there and everywhere
Sparks fly, when we are together
You can't deny the facts of life
Chorus
You don't have to act like a star
Trying moves in the back of your car
You know that we can go far
Coz tonight you're gonna get my * kiss kiss *
Don't play the games that you play
Coz you know that I won't run away
Why ain't you asking me to stay
Coz tonight I'm gonna give you my * kiss kiss *
You could be my baby
What's your star sign?
Won't you take a step through the lion's den?
I can hear my conscience calling me, calling me
Say I'm gonna be a bad girl again
Why don't you come on over
We can leave this undone
Got the devil on my shoulder
The best place for you to run
Chorus
If you forget I'll remind you
If you're paranoid I'm behind you
If you loose your head I'll find you
Send you my kiss
If you forget I'll remind you
If you're paranoid I'm behind you
If you loose your head I'll find you
Kiss Kiss
Chorus
