

# Enrique Iglesias, One Night Stand

Let me tell you.....

Jenny's getting her stuff in my room  
Puts on her skirt and she's looking good  
Six AM and she's leaving soon  
Says what a crazy night I had  
A real good time

But her kiss tells me it's goodbye  
Just like nothing happened last night  
But if I had one chance  
I'd do it all over again

One night stand I don't think she's coming back for more  
She was only looking for a one night stand  
I don't think she's coming back for more  
No no

Now I'm left up in my lonely room  
She left her underwear and her perfume  
I never thought that it could be this good  
And I still feel a little on my fingertips  
I'm trying hard not to feel rejected  
Maybe the phone line's disconnected  
But if I had one chance  
I'd do it all over again  
I know it

One night stand I don't think she's coming back for more  
She was only looking for a one night stand I don't think she's coming back for more  
She was only looking  
One night stand but I'd do it all again for sure  
Oh yeah

Baby like a blind man I rushed in  
Now do I have the right to ask you,  
Will you be coming back again?  
One night stand I don't think she's coming back  
One night stand I don't think she's coming back  
One night stand I don't think she's coming back

One night stand I don't think she's coming back for more  
She was only looking  
One night stand I don't think she's coming back for more  
She was only looking for a one night stand I don't think she's coming back for more  
She was only looking for a one night stand I don't think she's coming back for more  
She was only looking  
One night stand but I'd do it all again for sure

I guess it was a one night stand  
One night stand  
I guess it was a one night stand  
One night stand  
I guess it was a one night stand  
One night stand  
I guess it was a one night stand  
One night stand  
I know it, yeah
