

Enrique Iglesias, Stay Here Tonight

I know it's late and you're tired
And we'd been talking for hours here
You don't have to tell me

I see that look in your eyes
And I know soon we'll say our goodbyes oh yeah
I feel it coming

And I hear you take a deep breath
And my hands are starting to sweat
I don't want you to
I don't want you to leave yeah

Stay here tonight
Stay here tonight
'Cause when you around me
Everything's right don't go
oh don't leave me alone

Stay here tonight
Stay here tonight
I wanna hold you in my arms
show you what that's like don't go
I need you
I need you

You grab your coat and I'm dying
But I know that you're still deciding yeah
There's no bodies moving
Time stops and everything's quiet
I'm begging on for my life in you
You don't even see it

And then you coming closer
And baby it's not over
Till I hear you say

Till I hear you say
Goodnight oh yeah

Stay here tonight
stay here tonight
Cause when you around me
everything's right don't go
oh don't leave me alone
stay here tonight stay here tonight
I wanna hold you in my arms
show you what's that's like don't go
I need you
I need you

Something about you saying is not
Something about you makes me feel like I'm nobody

Stay here tonight
stay here tonight
cause when you around me everything's right don't go
Don't leave me alone

Stay here tonight
stay here tonight
Just when you around me everything's right Don't go
oh don't leave me alone
stay here tonight

stay here tonight
I wanna hold you in my arms
show you what thats like oh no
I need you
I need you

Stay with me tonight I need you Stay with me tonight I need you
Stay..(fade out)
