

Enriquez Jocelyn, Stay With Me

C. Aguilung

Never,
Never have I felt this way before

Forever,
I just wanna be forever yours

So take me in your arms
and say you love me

Hold me close never let go

CHORUS:

Baby please stay with me
your love is heavenly
won't you please say it's me

to have your love forever

Baby please stay with me

hold me so tenderly

won't you please stay with me

be in love together

Lately,

Seems like you are always on my mind

and baby,

I want you to be forever mine

So hold me close

and wrap your arms around me

love me with all your heart and soul

CHORUS

Every night I see you in my dreams

only when I'm with you do I feel complete

you're the only one who can fulfill my needs

Baby please stay, don't go away

won't you say you'll stay

CHORUS

Won't you please, say it's me

forever

Oh, be in love together
