

# Enslaved, As Fire Swept Clean The Earth

[Music: Ivar Peersen - Lyrics: Ivar Peersen, Kjetil Grutle]

I close my eyes  
As Fire Swept Clean the Earth  
Nothing left to strangle  
As the cords were torn from our hearts

"Tired I blew out my last warning, the claws were ripping me apart"

As we emerged  
From darker dungeons  
Splendor of yellow hells  
Expanded swollen eyes

No words were said  
As Fire Swept Clean the Earth  
Would the mothers be crying?  
If they saw torches in our hands?

"The wind, once able to conquer, captured As Fire Swept Clean the Earth"

A kiss was placed  
Upon my cheek  
And all color came back  
Melting in solid blue tune
