

# Enslavement Of Beauty, Eerily Seductive

Eerily... I explore the lacuna in her impurified virginity  
Trample these dreams, I still wish for her flesh to be deserted  
Gracefully, jetblack and green eyed I suffer the havoc in praise of  
profanity  
Speak of the devil, even devils get seducted  
Fait accompli...  
Crown me for being eerie

Eerily seductive... led astray by lesbian allegretto  
In impressive overture  
Adultery in fucking fugue  
The space is pitchblack, bewitched by its blankness  
I still wish... lost for words  
There is movement in the desert, my poison passes on...

"What does one want when one is engaged in the sexual act?  
That everything around you give you its utter attention  
Think only of you, care only for you...  
Every man wants to be a tyrant when he fornicates";

Eerily... I explore the lacuna in her impurified virginity  
Trample these dreams, I still wish for her flesh to be deserted  
Gracefully, jetblack and green eyed I suffer the havoc in praise of  
profanity  
Speak of the devil, even devils get seducted  
Fait accompli...  
Crown me for being sick, sick, sick!

"It has moreover, been proved that horror  
Nastiness, and the frightfull are what give pleasure when one fornicates  
Beauty is a simple thing, ugliness is the exceptional thing  
And firey imaginations, no doubt, always prefer the extraordinary thing to  
be simple thing";
