A whisper from the wind, and I can't help but listen.  
A crashing of white waves, and I can't help but listen.  
They're trying to entertain and I can't help but...

(Painting A Picture Of Myself)  
And I'll always be here for another.  
Over and over and I'll always be here.

The screaming of the earth and I can't help but listen.  
They're trying to entertain, but I can't help but...

(Painting A Picture Of Myself)  
And I'll always be here for another.  
Over and over and I'll always be here.

This is all I need to feel alive.

(Painting A Picture Of Myself)  
And always be here for another .  
Over and over and I'll always be here.

This is all I need to feel alive.
