

# Enthroned, Volkermod, der Antigott

(1st Verse)

For all tortured soul down there. Listen.....I m the satanic spirit who commands all the Romans the oruel ones to crucify the bastard christ. when the eagle of Rome perscute god's children, I had drunk their blood and raped their daughters.

For all tortured soul down there. Listen.....I m the hatred who to the slaves of evil teh blind ones to crush the holy son when the industries of inferno burnt teh children of god. I had breath their ashes and crush the holy son when the industries of inferno burnt the children of god, I had breath their ashes and vomit war out.

(CHORUS:)

volkermod, antigott !  
volkermod, antigott !  
volkermod, antigott !  
volkermod, antigott !  
volkermod, antigott !

I m the invincible force who command to your leaders, the unholy ones who shall set the world on fire, when the nuclear sword rape the earth from part to part. I shall set the flames of impurity and small the stench.....Of thousand million martyrs their ashes shall be blast by the storm to form black cloud and cover the sun.

A dead cloud planet is all that shall remains and let my spirit free forever.

(CHORUS:)

volkermod, antigott !  
volkermod, antigott !  
volkermod, antigott !  
volkermod, antigott !  
volkermod, antigott !
