

# Entombed, Under The Sun, Every Day Comes And

Well I don't want no demon to tell me what it's all about  
No black magician telling me to get my soul out  
Don't believe in violence, I don't even believe in peace  
I've opened the door and my mind has been released

Well I don't want no preacher telling me about the god in the sky  
No I don't want no one to tell me where I'm gonna go when I die  
I wanna live my life with no people telling me what to do  
I just believe in myself, 'cause no one else is true

Every day just comes and goes  
Life is one big overdose  
People try to ruin me  
and I can't seem to eliminate them

People riding their real pace  
keep on running their rat race  
The ante is risen once a week  
in their world of make-believe

So believe what I tell you, it's the only way to fight in the end  
Just believe in yourself, you know you really shouldn't have to pretend  
don't let those empty people try and interfere with your mind  
Just live your life and leave them all behind
