

# Entwine, Thru The Darkness

I see your eyes, so sadly mesmerized  
I feel your gaze, so dead and confined

I have never felt inside  
So alone in my life  
As I wander thru the darkness  
I've been searching all my life  
For you to make me feel alive  
As I wander thru the darkness

All my life I've waited for this  
All my life I've been longing for you
