Enya, If I Could Be Where You Are

Where are you this moment? Only in my dreams. You're missing, but you're always A heartbeat from me. I'm lost now without you, I don't know where you are. I keep watching, I keep hoping, But time keeps us apart

Is there a way I can find you, Is there a sign I should know, Is there a road I could follow To bring you back home?

Winter lies before me Now you're so far away. In the darkness of my dreaming The light of you will stay

If I could be close beside you If I could be where you are If I could reach out and touch you And bring you back home Is there a way I can find you Is there a sign I should know Is there a road I can follow To bring you back home to me
