

# Enya, Someone Said Goodbye

Summer. When the day is over  
There's a heart a little colder;  
Someone said goodbye,  
But you don't know why.  
Somewhere there is someone keeping  
All the tears they have been weeping,  
Someone said goodbye,  
But you don't know why.

Is there a reason  
Why a broken heart begins to cry?  
Is there a reason  
You were lost although you don't know why?  
Give me a reason  
Why you never want to say goodbye.  
If there's a reason,  
I don't know why.

Always looking for a meaning,  
All the time you keep believing,  
But I don't know why  
You won't say goodbye.  
Even when the sun is shining  
You don't see the silver lining,  
But I don't know why  
You won't say goodbye.

Is there a reason  
Why a broken dream can never fly?  
Is there a reason  
You believe and then you close your eyes?  
Give me a reason  
Why you hide away so much inside.  
If there's a reason,  
I don't know why.

Is there a reason  
Why a broken heart begins to cry?  
Is there a reason  
You were lost although you don't know why?  
Give me a reason  
Why you never want to say goodbye.  
If there's a reason  
I don't know why.  
I don't know why.  
I don't know why.  
I don't know why
