

Eowyn, Life

Ignore the lies
And words that seep in
Don't let this life slip
Past your grip again
So little time
So much to breathe in
There's much to lose
But so much more to gain

CHORUS

When you take a look in inside
See the beauty that now lies behind
All your doubts and fears
There is life so clear
When you take it

Do not despise
Let love surround you
Open your eyes
To life that burst within
Swallow your pride
Exhaust on nothings
Take hold and fight
Strong willed
You will survive

CHORUS

As suffers you will find
What is beautiful, divine
And where there is strength out here
There is life so clear
When you take it

CHORUS

As the suffer you will find
What is beautiful, divine
And where there is strength out here
There is life so clear when you take it
