## Epica, The Last Crusade

Magna culpa nostra Poena danda nobis Usque ad finem erit dierum

Ad finem temporum

You can't force yourself upon me And you never will You can't keep digging in Desecrated graves

No more innocence left to spill

Don't be afraid, participate and Just give us all your trust Your soul will be saved Just honour me, I'll set you free so Get ready to join the Very last crusade

Ad finem temporum

You can't get away with your crimes And you never will For you'll have to pay the price And the time is near

No more innocence left to kill

Don't be afraid, participate and Just give us all your trust Your soul will be saved Just honour me, I'll set you free so Get ready to join the Very last crusade

Magna culpa nostra Poena danda nobis Usque ad finem erit dierum

Ad finem temporum

Don't be afraid, participate and Just give us all your trust Your soul will be saved Just honour me, I'll set you free so Get ready to join the Very last crusade

Don't be afraid, participate and Just give us all your trust Your soul will be saved Just honour me, I'll set you free so Get ready to join the Very last crusade

Get ready to taste the Final victory

Ad finem temporum
