

# Epica, This Is The Time

This is the time  
We've waited too long  
And I'm wondering where I belong?  
We have lost  
We're out of control  
When we fail nature speaks to us all

This is the time  
I'll tell you why the world's left alone  
Now's the time to make right what's wrong  
We have lost  
We're out of control  
If we're stray can we hear nature's call?  
When we fail nature speaks to us all

This is the time  
So what's the world to be?  
Just a luxury?  
A temporary scene?  
But what have we got when it's gone away?  
And we need to come to see  
What the earth should be  
A sanctuary free  
A renewed paradise is still alive

This is the time  
The sky and the sea  
We speak the paragons  
We planted the seed  
We have lost  
We're out of control  
If we're stray can we hear nature's call?  
When we fail nature speaks to us all

This is the time  
So what's the world to be?  
Just a luxury?  
A temporary scene?  
But what have we got when it's gone away?  
And we need to come to see what the earth should be  
A sanctuary free  
All that we've sacrificed in the end has its price  
A renewed paradise's still alive in our eyes

This is the time  
So what's the world to be?  
Just a luxury?  
A temporary scene?  
But what have we got when it's gone away?  
And we need to come to see what the earth should be  
A sanctuary free  
All that we've sacrificed in the end has its price  
A renewed paradise's still alive in our eyes

It's still alive in our eyes
