(hr)

(*Verse 1)

Show me to my preassigned seat in this life
Help me find a way to be content and invincible

(*Chorus)

Generic The Norm
Shapeless the form
We're spoon-feeding the grey
It's not enough to see without taking part
It's not enough to be moderate, MODERATE

(*Verse 2)

Bending over backwards, bland is an aquired taste
Happy to donate waste now, drown yourself in deep self-hate

(*Chorus)

Generic The Norm
Shapeless the form
We're spoon-feeding the grey
It's not enough to see without taking part
It's not enough to be moderate, MODERATE

(*Verse 3)

And I so don't want to sink to your level
And I do not need to strike back
But I will not turn you the other cheek
But you don't want to see me breaking
But you don't want to see me breaking

(*Verse 4)

Show me to my pre-assigned seat in this
LIFE!!!
Not enough to see without taking part
Not enough to be moderate, MODERATE
Not enough to be moderate
