[Redman] Negroes!!!!!!!

[x6] [Hit Squad] The head banger, WHAT?
[Hit Squad] The head banger
Parrish Smith gettin wreck
[Hit Squad] The head banger

[Verse One: Parrish Smith]

Ka-rank the boombox as my sound knock from blocks
as I chill, and bust grills you take snapshots
of the maniac, dressed in black, carry round a strap
Kid you play me too close (slow down and catch a cap, POW!!)
Cause I don't play games, an outlaw like Jesse James
To hell with the bitches and the so-called fame (uh-huh)
Strictly biz to hard (kid yeah) as I climb charts
Bustin ass daily as I compose like Mozart
Just stand, say you're mad damn, why him?
Z-oh-one Tonka, five-sixty Benz
I'm sick and mad deep no shorts and no sleep
I'm bugged like a tapped phone, hard like concrete
So get a GRIP and don't SLIP or catch a CLIP
from the infrared aimed at your head as I blast my TARGET
The Bozack, I rip up flows that
make an MC stop and chill and say HE'S ALL THAT
Hardcore no R&B singer
Roll with the Hit Squad... down with the head banger

[x4] (Hit Squad) The head banger, WHAT?
"Yeahhh, head crack, head crack" -- Grand Puba, Slow Down

[Verse Two: Erick Sermon]

SURPRISE, you wonder where I've been, I've been workin
But sounds makin danger, and black birds chirpin
A real Damian, Omen possessed by the devil
You dig the rhythm, and I'll play the RUNNIN REBEL
Changed my style, so I can freak the funk
Yo pass the Philly, HIT SQUAD spark the blunt
I got the power, to ramshack a stadium
WUBBA WUBBA, even Judy Brown the Palladium
Yo, I'm from the Boondocks so I knows the flavor (yeah, yeah)
Sometimes I curse but now, I show behavior
EPMD, YO, is in this to win this
A brand new LP SO MIND YOUR BUSINESS
No jokin, I'm gettin paid fully
You wanna buy the cassette, stop by Sam Goody
YO WHERE'S MY HOODIE? I wanna be hard and cause some ruckus
Talk with the b-boy slang and blast some suckers
Walk like an Egyptian, rough crackin my steel
Plus I'm goin to court, make my own appeal
As taught as a kid or told, NEVER TALK TO A STRANGER
Cause I could be a head banger

and pissed cause I can make him my TARGET
Braggin em taggin em draggin em mad hollow-point rhymes in my mic
Choose Smith or assault over Magnum (huh)
So back up off me, here's a clip
For uzis and guns, and then you faggots gonna OFF ME
I'm sure you know the deal that my nine can box
I knock punks out quick like Evander Holyfield
More rhymes than music's, my solution
Subscribers of my style here's a contribution
Let's say you want a shovel layer parkin MC's like cars
and drivin MC's away
Tanks gon be full, to rappers wanna tempt me
I break the steering shift and leave em EMPTY
Cause they can't go, so I'ma call a hoe tow truck
To come tow truck your weak SIDE SHOW
Back on the scene is the incredible one man team
When I get mad I turn GREEN
