[E:] Damn (Last night was crazy) word life, I had a blast

[P:] It was ass for days, nuts had a full tank of gas

[E:] Golly, G, word P, tits and VD

[E:] P, get off my big dick, chill, stop harrassing me

[P:] Your dick, you mean my dick and don't forget

Now let me scrub that head because it smells like fish

[B:] Mr. Bozack (repeat 2X)

[E:] That's your fault, black (explain) no jim hat

You got in some fly shit and stuck me in bear back

Was it Vodka and smeared on a bit of Bacardi

[P:] No dick (don't call me that) sorry Mr. Bozack

But you didn't help, talking bout (where the hoes at)

[E:] I was hard (how hard) hard enuff to buck

[E:] No, I can't believe that (cool Jack) screw that

All you had to do was wear a jim hat

[P:] I reached for one, but didn't quite make it

She grabbed on your head piece, I couldn't quite take it
