

# Era, Cathar Rhythm

Don't you come back now?  
Don't you turn your eyes?  
And if you dare to look  
I'll be you waiting  
Impera e nessimo  
Impera samie nero  
Dove di immantore Dio  
You hear my prayer  
Don't you turn your eyes?  
And if you dare to mourn  
I'll be you waiting  
Impera e nessimo  
Impera samie nero  
Dove di immantore torra  
E mani diavole  
E mano diavole  
E nere mani diavole  
Impera e nessimo  
Impera samie nero  
Dove di immantore Dio  
Don't you come back now?  
Don't you turn your eyes?  
E nere mani diavole  
You hear my prayer  
E nere mani diavole  
I'll be you waiting

Translating  
The empire is nothing  
The empire got black  
Where are you, cruel God/fortress  
And hands of devil  
And hand of devil  
And black hands of devil
